Dear Patient,

Your Insurance Company may not reimburse the doctor for laboratory services done in our office. These test include strep, lead, urine, mono, influenza, blood sugar, occult blood in stool and specimen handling.

They have a contract with Lab Corp or Quest and expect that the test will be done there.

If you would like the test done here, you will be charged.

Please sign below.

Thank you,
Drs. Mangru, Batra, Knowles & Matarazzo
