Dear Families of Millburn Pediatrics,

During the past 2 years, our practice has been in negotiation with **UnitedHealthCare Insurance** (including **Oxford**) over matters related to their lack of appropriate reimbursement and high administrative costs. Unfortunately, these negotiations appear to be at an impasse and we are no longer in **contract**.

We have chosen to notify our patients' families to ensure that you are able to effect necessary changes as of **2026**. We will be happy to answer any questions you may have. You may also wish to contact UHC/Oxford directly using the telephone number on the back of your member ID card.

Of course, we will gladly continue to be your family's pediatricians unless you choose to transfer to another provider. However we will no longer be able to submit claims to United HealthCare on your behalf as of January 1, 2026. There may be options for you to change plans as some employers have several plans for you to choose from. Another option may be to submit your paid receipt for reimbursement by Millburn Pediatrics; we will be happy to help.

We hope to continue as your children's pediatricians and we will endeavor to make all efforts to assist you in receiving uninterrupted care. Please do not hesitate to call us with any questions or concerns.

Sincerely,

Subita Mangru, MD

Kelly Knowles, MD
